

TABLECLOTHS Rectangular

Technical Specifications | R1.050613

PRODUCT USAGE

This product is recommended for use indoors or temporarily outdoors.

DESCRIPTION

Rectangular tablecloths are a practical way to draw attention while maintaining a professional appearance. Your custom print comes on high quality fabric in a single-reverse layout. These tablecloths are available in two standard sizes to cover 6' and 8' tables, but custom sizes are also available. You can choose from three different finishes, including standard, fitted, and convertible. Designs can be printed on only the front panel or the entire tablecloth if desired. This advertisement can be set up in a matter of seconds and folded for effortless storage and transport. Rectangular tablecloths can be used indoors or temporarily outdoors to promote a company at a trade show or to create a decorative look for a charitable event.
