

TABLECLOTHS Round

Technical Specifications | R1.050613

PRODUCT USAGE

This product is recommended for use indoors or temporarily outdoors.

DESCRIPTION

Round tablecloths are a way to bring a finished look to any advertisement. Made of high-quality fabric, this tablecloth is a custom print and comes in a single-reverse layout. We offer three standard sizes for 70" diameter, 90" diameter, and 96" diameter tables. Custom sizes are also available. You can have your company logo printed on the skirt or a design covering the whole tablecloth. Prints can feature a short or long skirt, depending on the look desired, with a standard or fitted finish. You can set this tablecloth easily in seconds and fold it up for storage while traveling. Round tablecloths are great for use indoors or temporarily outdoors to decorate cocktail tables at a formal occasion or to create a professional appearance at a business conference.
